STEP INSIDE HISTORY!

Now in its 47th year, the Fall Tours are one of the Preservation Society’s signature programs, providing locals and visitors alike access to inspiring properties and neighborhoods throughout the city. Our offerings are powered by the mission and initiatives of the Preservation Society today, and our program closely models the sustainable tourism practices for which we advocate. With smaller group sizes and high-quality educational content, guests can truly enjoy immersing themselves in Charleston’s historic architecture, distinctive landscapes, urban neighborhoods, and unique cultural heritage.

The Fall Tours are made possible through the generosity of homeowners, volunteers, and sponsors. Thank you for your support of the Preservation Society and The Fall Tours.
