ESTD SOCIETY 1920
of CHARLESTON

THE CORNERSTONE SOCIETY

We are honored to invite you to join a legacy society for those who include the Preservation Society in their estate plans.

Since the Preservation Society of Charleston's founding in 1920, our members have formed the cornerstone of our work, and it is in this spirit that our new giving society is named. For the cornerstone is the very first stone laid, marking its place and date in time, and critical to the success of the whole enterprise — just as our supporters have always been for the Preservation Society.

Our first 32 members could not have anticipated that 100 years later, a global network of more than 4,000 citizens would continue advocating for their beloved city. Similarly, we cannot predict what pressing issues will be at the forefront for future generations.

Your gift ensures the Preservation Society is equipped to protect and preserve our city's architectural and cultural heritage, providing a solid foundation for the next generation of preservationists to build upon.

The Preservation Society of Charleston is dedicated to the preservation and enjoyment of Charleston's distinct character, quality of life, and diverse neighborhoods.

BENEFITS OF MEMBERSHIP

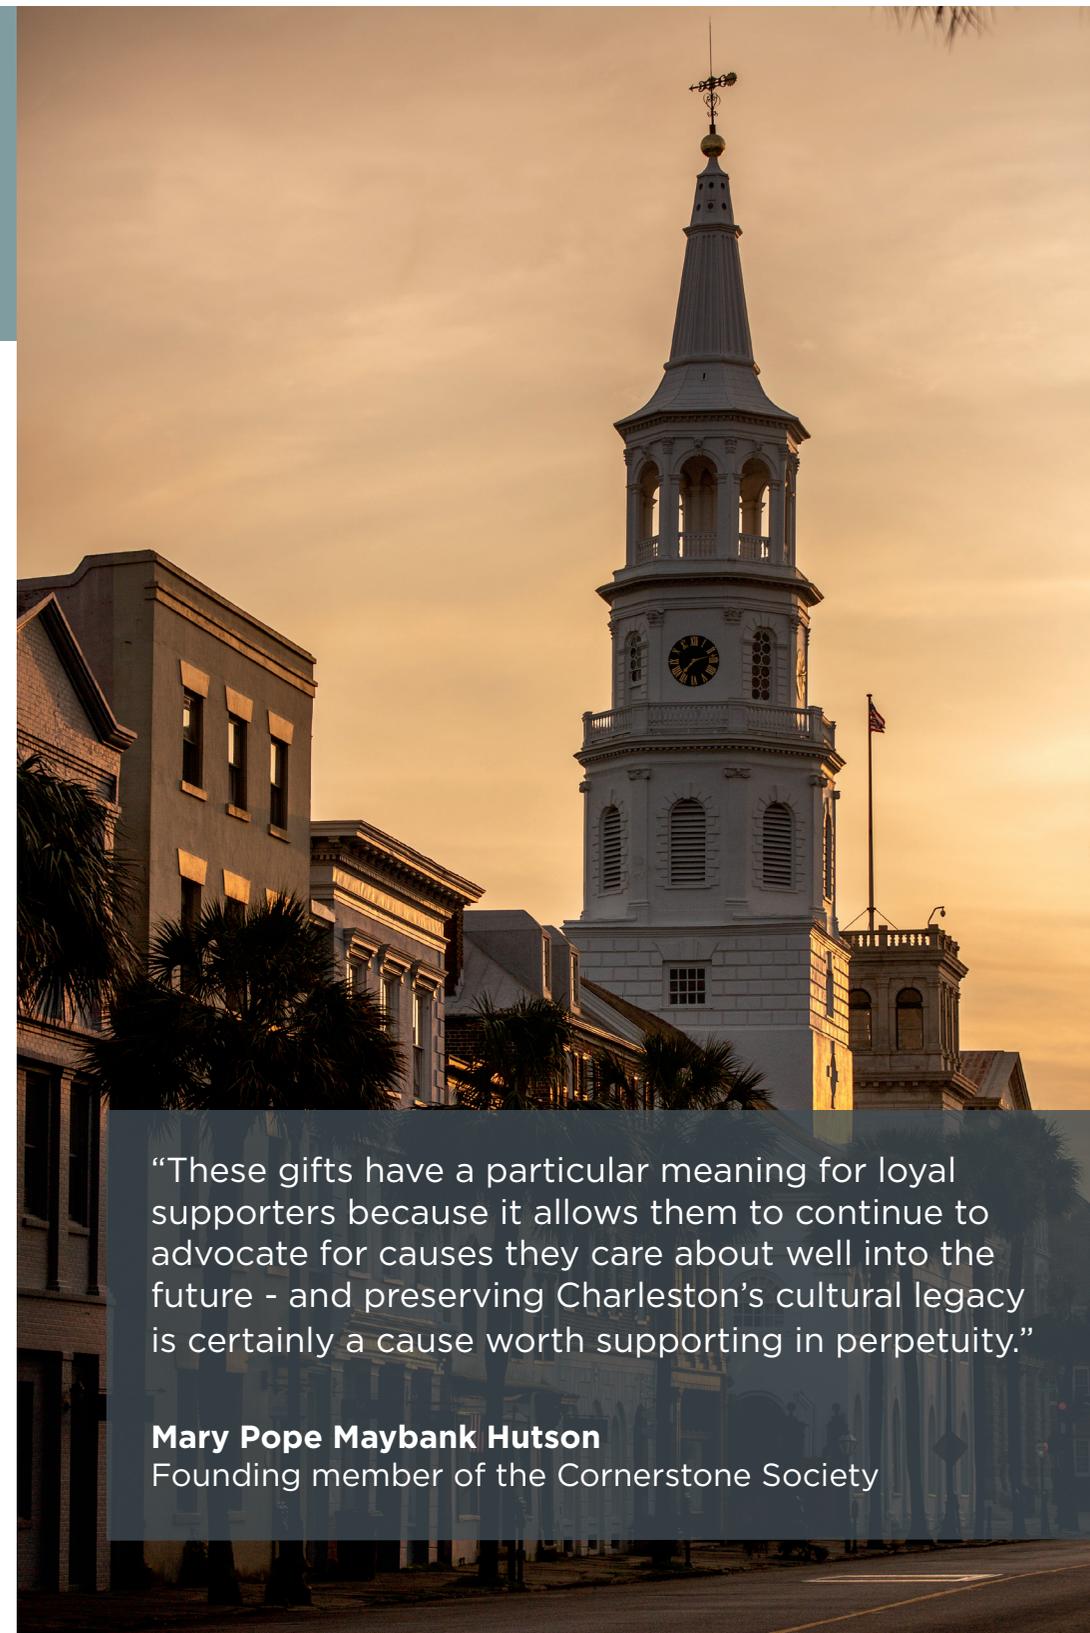

Donors who make a planned gift of any kind and any size are eligible for membership in the Cornerstone Society.

- Recognition in the Preservation Society's Annual Report
- Annual invitation to an exclusive event
- Legacy PSC membership to a beneficiary of your choice

Your planned gift will ensure your legacy, and the enduring legacy of Charleston, are protected now and for generations to come.

The PSC is happy to work with you to accomplish your philanthropic and estate planning goals. You can choose to support the organization as a whole, or your gift can be restricted to a specific program, initiative, or advocacy issue especially important to you and your loved ones.

For more information on planned giving including trusts, bequests, and other charitable gift options, please contact Rebecca Hoffman at rhoffman@preservationsociety.org or 843.722.4630 ext. 13.

“These gifts have a particular meaning for loyal supporters because it allows them to continue to advocate for causes they care about well into the future - and preserving Charleston's cultural legacy is certainly a cause worth supporting in perpetuity.”
